

Baptisms

Until the end of June, baptisms will continue to be celebrated in the Church for five families each evening at 6:00 PM on Thursdays and Fridays.

Baptism bookings are now open for the four Sundays of July.

Tentative reservations can be made by ringing the parish office during business hours but will only be held for 48 hours. The reservation will be confirmed when the Parish's official Baptism Form has been returned to the office with a non-refundable offering in a sealed envelope containing the baby's name on the outside. Dispensations always available in cases of genuine hardship.

Baptism packs are available from the parish website.

From the first weekend in July, baptism will return to being celebrated on a Sunday morning. Bookings available from Wednesday 2 June. There are eight blocks of pews in the church. Accordingly, baptisms will be limited to eight children per ceremony with each family being able to have their own block of pews. Social distancing still applies. And so each family is limited to 30 guests although this can be negotiated in the week before the ceremony if there are less than eight baptisms or some families have well below the 30 guests allowable.

However, these plans are conditional upon the present social distancing requirements prevailing into the future.
