*Dear Parishioners at The Oaks and Camden*

**RE: WEEKLY MESSAGE FOR WEEKEND 19/20 JUNE 2021**

*12<sup>th</sup> Sunday on Ordinary Time*

### **Spiritual Insight**

From Father Richard Rohr OFM in his book "The Universal Christ"

To this day, scapegoating characterizes much personal, political and public discourse....It is the egoic illusion of our perfect rightness that often allows us to crucify others. (P. 150).

~~~~~

### **Coronavirus Restrictions**

No change from recent updates. Under the prevailing social-distancing mandate from the NSW Department of Health, the Church in Camden is permitted to accommodate as many as 260 people.

Perhaps we should begin to petition our Local State Member for Camden, Mr Peter Sidgreaves, to petition our Premier to ease restrictions from "One person / two square metres" to "Two persons / three square metres". That would allow a 50% increase in church capacity and still leave the church quite spacious.

Additionally, the height of the ceiling should also be taken into account in making such a determination. We live in hope!

~~~~~

### **Adults interested in becoming Catholic**

The next meeting has been scheduled for this coming Wednesday at 7:00 PM in the parish meeting room at Camden. The expected duration is one hour. All welcome. The evening is also suitable for Catholics wanting a refresher course.

~~~~~

### **The Oaks and Oakdale**

Why not celebrate the beginning of the new financial year by attending the meeting on 1<sup>st</sup> July at The Oaks? Starting time is 6:00 PM. Bishop Brian is still expected to be present. And afterwards, the marinated drumsticks should be mouth-watering. Cold beverages to be provided by the Administrator.

## Church at St Clare's

A meeting took place last Tuesday 15<sup>th</sup> June to consider the desirability and the viability and the feasibility and the suitability and the probability of a new church at St Clare's.

After an interesting discussion, there was consensus that the church should be built to hold 400 adults compared to 550 at Camden. The Church would be linked – possibly by cable – to the hall so that on occasions of overflow a few more hundred people could be seated in a/c comfort and remain part of Mass.

The attendees agreed to become the CCSCC (Consultancy Committee for St Clare's Church). The next meeting of the CCSCC is scheduled in September. The exact date will be advised earlier in the same month. Many thanks to the 12 parishioners from across the parish who have agreed to participate.

By providence, the CCSCC is of a very broad and balanced make-up:

- Three of the 12 were long-time Mass-goers at the old Mass centre at Smeaton Grange. Great memories!
- St Clare's school is represented by four people, with three being on the school executive.
- A parent with children at St Clare's.
- A relatively new parishioner now living near the Narellan Vale site.
- A couple of parishioners whose children have graduated from St. Paul's, attended Catholic high schools in the Macarthur and who are presently members of the Parish Finance Council.
- A Camden parishioner who had been in the parish of Rosemeadow when their outstanding church was in the planning.

Developments will be reported as they come to hand. Because of the coronavirus the timeline for the project needed to be delayed for about 18 months to assess its impact upon parish finances. And it's true that there has been a reduction in the financial contributions from parishioners.

Consequently, all our parishioners are asked to be extra supportive of the financial livelihood of the parish to make this project a great success. If in a stable/comfortable financial position, please consider offering at least \$100/month. My own offering is \$125/month.

## Mass Times and Baptisms from 3/4 July

No changes at The Oaks and Oakdale. Baptisms according to appointment for those who live in the parish of The Oaks.

Weekend Masses at Camden: Two Saturday Vigils to continue at 4:30 PM and 6:00 PM.  
Sunday morning Masses to be reduced to two – 8:00 AM & 10:00AM  
Sunday evening Mass to remain at 5:00 PM

Baptisms; Sundays only 11:15 AM for 11:30 AM, after the 10:00 AM Mass

## Sacrament of Penance Programme

Still a few books to be collected. Families who missed the Reconciliation ceremonies on Wednesday evening on 16 June are asked to bring their children to their first Confession on the Saturday morning on 3<sup>rd</sup> July between 9:30 AM and 10:15 AM. Please practice the Act of Contrition with the children and ensure assistance has been provided in the examination of their consciences. This is a really important process in the development of a moral framework for their young minds and tender hearts.

Also, the children would be extra well prepared if they're also able to recite the Our Father and the Hail Mary. These beautiful prayers provide another foundation of our Catholic spirituality.

Enrolment in the First Holy Communion programme begins on the first weekend in September.

## Confirmation Programme

Bookmarks and medals will be distributed this weekend. Please be mindful of rehearsal times this coming week.

Books not collected from last weekend can be collected this week. BUT please complete a form that provides the names and contact numbers of your family members and friends who will be joining you at the ceremony.

Need to also acknowledge the high quality of work from the overwhelming number of kids in the completion of their workbooks. Congratulations. And thanks to the parents and carers who assisted with such serious dedication.

And what about the survey! If interested, please read to the end of the weekly message for a summary.

Got an idea!

If you normally attend one of the Saturday evening vigils at Camden, then that's not possible on Saturday 26<sup>th</sup> June because of Confirmations. So why not visit Oakdale? Father Victor will be the celebrant. Church is behind shops and across the road from the local government school.

# Survey ~ Sacrament of Confirmation Programme

June 2021 ~ 186 families enrolled ~ 150 respondents.

(Figures are for total responses expressed in **percentage** terms).

In instances where the total does not add up to 100, the reason is because that question was unanswered by some of the respondents. There may also be rounding errors.
